

### **Assistant/Associate Professor of Risk Management and Insurance**

The Haskayne School of Business at the University of Calgary invites applications for a continuing appointment in **Risk Management and Insurance** at the level of Assistant Professor, Tenure-track or Associate Professor with Tenure. Applications are encouraged in any of the fields related to risk management and insurance such as (or including) enterprise risk management, financial risk, credit risk, commodity risk, financial services, financial planning, pensions, employee benefits and actuarial science. The appointment will commence July 1, 2018, or at a mutually agreeable date.

Candidates must have:

- A completed doctorate degree in risk management/insurance, finance, economics, actuarial science, or other closely related field;
- A strong record of research commensurate with the professorial rank desired that includes at least one publication in a top peer-reviewed, relevant academic journal.
- A demonstrated capability in graduate- and undergraduate-level teaching and willingness to undertake graduate student supervision;
- A demonstrated willingness to provide service to the university and to interact with the business community in risk management, insurance and/or personal finance

Key requirements of the position include:

- research and knowledge dissemination;
- teaching at the graduate and undergraduate levels;
- securing research funding;
- working with colleagues on interdisciplinary research initiatives, programme development and implementation; and,
- engagement with local, national and international professional and other communities.

Research support is offered to all new hires.

Applicants at the assistant professor rank will demonstrate the desire and potential to be a teacher in a professional faculty and provide evidence of past and/or potential excellence in scholarship.

Applicants at the associate professor rank must have a minimum of 3 years experience in an academic position focused in an area related to risk management and insurance; provide evidence of past teaching effectiveness in a professional faculty; provide evidence that the individual is a sound scholar and is likely to continue making meaningful, high-impact research contributions in top peer-reviewed, business related academic journals.
