John A. MacDonald, Chair of the Department of Accounting, Finance and Law
John.MacDonald@oswego.edu 315-312-2956.

Official transcripts are required prior to hiring.

Description of Department: The Accounting, Finance & Law Department is part of the SUNY-Oswego School of Business (AACSB accredited). The School of Business offers undergraduate

degrees in accounting, business administration, finance, human resource management, marketing management science, risk management & insurance, as well as a Master of Business Administration degree, MBA in Health Services Administration and a Five Year Accounting Program (BS/MBA). School of Business students also have the option to minor in International Business. The School of Business values excellence in teaching and requires a commitment to research, instructional development and service in a diverse and global environment. SUNY Oswego School of Business programs are usually ranked within the top 50 in several business school rankings.

Description of SUNY Oswego: Founded in 1861, SUNY Oswego is a public comprehensive college located in Central New York on the beautiful shores of Lake Ontario, 45 minutes from Syracuse. Named one of "Top Up-and-Coming Schools" in U.S. News "America's Best Colleges" in 2010, a Kiplinger's "Best College Value" for 2015, and a "Best Northeastern College" by Princeton Review every year since the first edition in 2003, Oswego offers its 8000 undergraduate and graduate students preeminent academic programs in the arts and sciences, business, communications, and teacher education. The College's success is built on providing students outstanding educational experiences with attention to a liberal arts and sciences foundation, practical applications, interdisciplinary approaches, independent scholarly and creative work, and skills for living in multicultural and global communities. The emphasis on faculty-mentored student research and creative projects is evidenced by Quest, a daylong symposium spotlighting original student research; a stipend program for students engaged in research and creative work; and the Global Laboratory, a STEM-based research abroad program at top-ranked universities around the world. SUNY Oswego is an unusually collegial and vibrant community and is in a time of wonderful opportunities with extensive facilities construction and renovation, a forward-looking strategic plan, and expanded outreach to regional, national, and international communities.

Additional information about SUNY Oswego can be found at www.oswego.edu.

Oswego is committed to enhancing its diversity.
