

## **Distinguished Associate/Full Professorship in Actuarial Science Ball State University**

Ball State University is seeking applications for a full-time tenure track faculty position as the Dr. John A. Beekman Distinguished Professor of Actuarial Science, beginning August 16, 2019. Specific duties as a faculty member include teaching at both the graduate and undergraduate levels, scholarship in actuarial science, student advising, and professional service. The Distinguished Professor will also be expected to provide exemplary leadership and outreach for the department's highly successful actuarial program, maintain and develop industry contacts, and adequately prepare graduates for membership in the Casualty Actuarial Society (CAS) or Society of Actuaries (SOA). The length of the probationary period, normally seven years, may be reduced for the exceptional candidate.

**Minimum qualifications:** Fellow of CAS or SOA and master's degree (or higher) with at least 18 graduate credit hours related to actuarial science OR Associate of CAS or SOA and Ph.D. in a mathematical science; 5 or more years of experience in actuarial science acquired in either an academic or corporate environment; demonstrated capacity for high-quality scholarship (as evidenced through at least one presentation or publication related to actuarial science).

Employer will consider sponsorship.

**Preferred qualifications:** Previous experience as a teacher in an academic or professional development setting; refereed publications in actuarial science; currently active in the CAS, SOA, or American Academy of Actuaries with demonstrated relevant leadership ability; 10 or more years of experience in actuarial science acquired in either an academic or corporate environment; evidence of contacts with multiple companies who employ actuaries.

Apply online at: <http://bsu.peopleadmin.com/postings/15972> . Include the following documents with your application:

1. Cover Letter addressed to Professor Curtis Dean.
2. Curriculum vitae which includes the names of three references who are able to discuss your qualifications.
3. Evidence of Fellowship or Associateship in CAS or SOA (as applicable) – upload in the "Licenses/Certifications" section.

Upload Optional Documents -

1. Additional materials supporting excellence in teaching and/or research under "Other". (Note that only one document may be uploaded. Therefore, if you desire to upload multiple documents in this section, you will need to combine them into a single PDF prior to the upload.)
2. Although the option to upload copies of transcripts is available, an official, original transcript showing the highest related degree earned is required at time of hire. Additionally, a degree verification will be ordered at time of hire.
3. The option to upload up to three (3) letters of recommendation is also available.

Review of applications will begin immediately and will be accepted through January 31, 2019.
